Eluru

Objective

Passionate UI/UX fresher with a solid grasp of HTML, CSS, JavaScript, and design tools, aiming to bridge the gap between aesthetics and functionality. Looking for a role where I can collaborate with developers and designers to build engaging user interfaces.

Education

BSc Computer science	C.R Reddy College	8.11 CGPA	2020-2023
Intermediate	Sasi Jr College	825 Marks	2018-2020
SSC	Sasi high school	9.5 CGPA	2017-2018

Skills

Designing:

Photoshop, Figma, Adode XD, Illutrator, Adode Behance, Dreamweaver

Development:

Html, CSS, Javascript, React, Bootstrap, Wordpress

Certifications

UI/UX Developer Certificate:

(Tech Mahindra SMART Academy — pursuing)

Currently undergoing professional training in UI/UX design, including user research, wireframing, prototyping, and design tools like Figma and Adobe XD. Focused on creating responsive, user-centric digital interfaces through hands-on projects.

Projects

Personal Portfolio Website

Built an interactive portfolio website using JavaScript, featuring project highlights, contact options, and a sleek design. Ensures usability and responsiveness across devices, tailored for showcasing design and development skills.

Weather App (Using API)

Created a real-time Weather App using JavaScript and OpenWeatherMap API. Users can search for any city and view current weather conditions including temperature, humidity, and forecast. Implemented responsive design for mobile and desktop views.

Achievements

Extracurricular Activities

Organized a college tech fest, leading a team of 10 to plan and execute workshops, speaker sessions, and coding challenges, improving teamwork and event management skills.

Volunteer & Mentorship Roles

Worked as a volunteer for college cultural events, managing registrations, coordinating with teams, and ensuring smooth event execution, developing organizational and leadership skills.
